ANTHONY SLOAN

Plaintiff,

vs.

CITY OF CINCINNATI, et al.,

Defendants.

Case No. C - 1 - 01 -592

Magistrate Hogan

Request for re-opening case

On the day of December 14, 2004, a motion to dismiss my case against the city of Cincinnati for vicious prosecution was filed. I realize that I haven't received a notice to resolve my case against the city of Cincinnati.

On the day of October 14, 2005, I put in a request for an update on this particular case at The United States District Court. My attorney, Timothy Allen Smith filed a motion to dismiss this case without my consent.

I am asking that the court re-open this case and review these records on my behalf. Any assistance you may be able to offer would be greatly appreciated.

Sincerely Yours,

Anthony Sloan
Plaintiff
